Kasamatsu Park**

Cable car will start at 6:30am

Time of sunrise is 7:05 am

天橋立傘松公園
初日の出

**2025
Jan. 1st**

Japanese call the sun rising from the horizon or the sea horizon on January 1st (Ganjitsu) 'Hatsu Hinode' and consider it good luck. So a lot of spectators visit a viewing spot to celebrate 'Hatsuhinode' as the first crack of dawn once a year. Also, many people swear a wish or a decision of that year, while watching the Hatsuhinode.
